World's finest

Primerus seeks out, screens and audits law firms to make sure that Primerus has only the finest. They use all the ratings services available, including Legal 500, Best Lawyers, Chambers and Martindale Hubbell, to ensure the law firms invited to join Primerus are the best in the world. And that is just the beginning. Primerus then conducts a more extensive investigation of the firm, including attorney backgrounds, references and malpractice history checks. An independent accreditation board has the last word on admission and retention of members, resulting in a high quality standard that's applied universally to all members. Another board oversees quality assurance to more specifically define the highest standards and to help firms live by those standards in everyday practice. These strict guidelines ensure Primerus law firms are the world's finest. In fact, The Wall Street Journal has compared Primerus to the "Good Housekeeping Seal of Approval" for law firms.
